3-Day Diet Record

.....
NAME

.....
DATE

Please record everything you eat and drink for 3 days. Be as thorough and detailed as possible.

Please be as honest as you can be. I am gathering data, not judging. Don't change your normal routine. Just record what you are doing.

If your eating habits change over the week, pick 3 days that are representative (e.g., 2 weekdays plus 1 weekend day).

To measure, simply use hand-sized portions (e.g., 1 palm, 1 fist, 1 cupped handful, 1 thumb) or something else standardized (e.g., baseball, deck of cards). You can use measuring cups or a food scale if you want, but you don't have to.

Record any other notes about other things we've agreed you'll record, such as why you are eating, physical sensations from eating, how you felt after you ate.
